

## ASTALDI AWARDED AS ONE OF THE COMPANIES MOST IN DEMAND AMONG PROFESSIONALS IN 2015

**Astaldi** has been awarded by the LinkedIn®, “*Italy InDemand 2015*” campaign as one of the most attractive companies; for some years, LinkedIn®, the world’s largest professional network, has been honouring the Companies most in demand among job-seekers.

The campaign covered all the companies operating in Italy (including, among others, Apple, Google, Ferrari, and Coca Cola); Astaldi took 32<sup>nd</sup> place in the overall rankings and 1<sup>st</sup> among companies in its own sector.

The *InDemand* rankings measure the actual online behaviour of users and professionals. In particular, for each Company, the rankings measure the interactions of the network’s members belonging to the area in question – in this case, the more than 8 million LinkedIn® users active in Italy, with company pages, employee profiles and published job offers.

This award honours the long standing commitment of Astaldi to human resources management, as well as its established corporate reputation, rewarding the Group for its ability to attract and involve our country’s finest talent.

...

*ASTALDI GROUP is one of Italy's leading General Contractors, and among Europe's top 25 firms in the construction industry, where it also works as a sponsor of project finance initiatives. An international player for 90 years, it addresses the market by developing complex and integrated initiatives in the field of designing, building, and operating public infrastructure and large-scale civil engineering works, mainly in the areas of transport infrastructure, power plants, civil and industrial construction, facility management, plant engineering, and management of complex systems. Quoted on the stock market since 2002, it holds 92<sup>nd</sup> place in Global Contractor rankings. It ended the 2014 financial year with a total order backlog, including additional orders secured and in the process of being finalized, exceeding EUR 28 billion and sales of EUR 2.7 billion. It boasts approximately 10,300 employees in Italy, Europe (Poland, Romania and Russia) and Turkey, Africa (Algeria), North America (Canada and the USA), Latin America (Chile, Peru, Venezuela and Central America), the Middle East (Saudi Arabia and Qatar) and the Far East (Indonesia).*
