

ID	Name
1	1 - SUPPLIES - CONSTRUCTION AND INSTALLATION WORKS - SERVICES
1.01.01	1.01.01 - Steel for Reinforced Concrete - Supply of steel rebars for reinforced concrete
1.01.02	1.01.02 - Steel for Reinforced Concrete - Bending and Cutting of steel rebars for reinforced concrete
1.01.03	1.01.03 - Steel for Reinforced Concrete - Supply of strands
1.02.01	1.02.01 - Admixtures and additives for concrete - Supply
1.03.01	1.03.01 - Concrete aggregates - Supply
1.04.01	1.04.01 - Hospital Supply - "Class I" Electro-medical equipment (PET and CT scanners, Ultrasound and MRI machines, X-ray machines, etc.)
1.04.02	1.04.02 - Hospital Supply - "Class II" Electro-medical equipment (Bed head units, Medical monitors, Surgical lights, Life support equipment, Operating tables, etc.)
1.04.03	1.04.03 - Hospital Supply - "Class III" Electro-medical equipment (Medical devices, Surgical Fittings, Microscopes, Hospital Trolleys, Laser, etc.)
1.04.04	1.04.04 - Hospital Supply - Hospital Furniture
1.04.05	1.04.05 - Hospital Supply - Complete Modular Operating Theaters Rooms
1.05.01	1.05.01 - Railway lines products and works - Supply of rails
1.05.02	1.05.02 - Railway lines products and works - Supply of railways switches/points
1.05.03	1.05.03 - Railway lines products and works - Supply of sleepers
1.05.04	1.05.04 - Railway lines products and works - Supply of ballast
1.05.05	1.05.05 - Railway lines products and works - Supply of ballast mats
1.05.06	1.05.06 - Railway lines products and works - Construction, upgrading and maintenance of railway lines
1.06.01	1.06.01 - Lifts, escalators and moving walkways - Supply and installation
1.07.01	1.07.01 - Site Camps - Supply of various prefabricated buildings for site camps (Cat. 074)
1.07.02	1.07.02 - Site Camps - Supply of metal containers for site camps (Cat. 074)
1.08.01	1.08.01 - Barite - Supply
1.09.01	1.09.01 - Noise barriers - Supply and installation
1.10.01	1.10.01 - Road barriers - Supply and installation of metal road barriers/guardrails, parapets
1.10.02	1.10.02 - Road barriers - Supply of concrete road barriers (i.e. Jersey barriers)
1.11.01	1.11.01 - Bentonite - Supply
1.12.01	1.12.01 - Environmental remediation/clean-up works
1.13.01	1.13.01 - Mines/War remnants clearing
1.14.01	1.14.01 - Lime - Supply
1.15.01	1.15.01 - Concrete - Supply
1.16.01	1.16.01 - Steel Structures - Lightweight Steel Structures
1.16.02	1.16.02 - Steel Structures - Heavyweight Steel Structures
1.16.03	1.16.03 - Steel Structures - Supply of steel grids and gratings
1.17.01	1.17.01 - Cement - Supply
1.18.01	1.18.01 - Steel Ribs for tunnels - Supply
1.19.01	1.19.01 - Compressors - Supply and/or rental
1.20.01	1.20.01 - Asphalt concrete - Supply and laying
1.21.01	1.21.01 - Stabilisation/Reinforcement - Riveting/Anchoring and reinforcement injections
1.21.02	1.21.02 - Stabilisation/Reinforcement - Placement of shotcrete (spritzbeton)
1.21.03	1.21.03 - Stabilisation/Reinforcement - Freezing injections
1.21.04	1.21.04 - Stabilisation/Reinforcement - Insertion
1.21.05	1.21.05 - Stabilisation/Reinforcement - Gabion construction
1.21.06	1.21.06 - Stabilisation/Reinforcement - Reinforced soil
1.22.01	1.22.01 - Roofing - construction
1.23.01	1.23.01 - Demolition
1.24.01	1.24.01 - Personal protective equipment - Supply
1.25.01	1.25.01 - Dredging
1.26.01	1.26.01 - Drainage
1.27.01	1.27.01 - Explosives
1.28.01	1.28.01 - Facades
1.29.01	1.29.01 - Finishing works/products and window and door frames - Manufacturing of products for internal walls construction
1.29.02	1.29.02 - Finishing works/products and window and door frames - Internal walls construction
1.29.03	1.29.03 - Finishing works/products and window and door frames - Manufacturing of plasters and paints
1.29.04	1.29.04 - Finishing works/products and window and door frames - Plastering and painting
1.29.05	1.29.05 - Finishing works/products and window and door frames - Manufacturing of wall covering
1.29.06	1.29.06 - Finishing works/products and window and door frames - Wall covering installation
1.29.07	1.29.07 - Finishing works/products and window and door frames - Production of flooring (civil and industrial)
1.29.08	1.29.08 - Finishing works/products and window and door frames - Casting of screed and laying of flooring (civil and industrial)
1.29.09	1.29.09 - Finishing works/products and window and door frames - Manufacturing of false ceilings and mobile partition walls
1.29.10	1.29.10 - Finishing works/products and window and door frames - Installation of false ceilings and mobile partition walls
1.29.11	1.29.11 - Finishing works/products and window and door frames - Doors (excluding fire doors) and fixtures
1.29.12	1.29.12 - Finishing works/products and window and door frames - Industrial main doors (excluding fire doors)
1.29.13	1.29.13 - Finishing works/products and window and door frames - Fire doors and industrial fire doors
1.30.01	1.30.01 - Deep / Special foundations - Construction of concrete piles and diaphragm walls
1.30.02	1.30.02 - Deep / Special foundations - Construction of concrete micropiles
1.30.03	1.30.03 - Deep / Special foundations - Supply and/or hiring of sheet piles
1.30.04	1.30.04 - Deep / Special foundations - Sheet piling
1.30.05	1.30.05 - Deep / Special foundations - Jet grouting
1.31.01	1.31.01 - Steel Wire Ropes - Supply
1.32.01	1.32.01 - Geotextiles / Non-woven fabric / Geomembrane - Supply
1.33.01	1.33.01 - Waste management
1.34.01	1.34.01 - Joints, bearings and isolators for civil use
1.34.02	1.34.02 - Joints, bearings and isolators for industrial use
1.35.01	1.35.01 - Waterproofing products - Supply
1.35.02	1.35.02 - Waterproofing Works
1.36.01	1.36.01 - Airport systems - Baggage handling systems
1.36.02	1.36.02 - Airport systems - Document control system (passport scanners, boarding cards, turnstiles etc...)
1.36.03	1.36.03 - Airport systems - Passenger boarding (aviobridge finger)
1.36.04	1.36.04 - Airport systems - Security control systems (X-rays, metal detectors, explosive checks, etc.)
1.36.05	1.36.05 - Airport systems - Flow regulator barriers
1.36.06	1.36.06 - Airport systems - Bird dispersal system
1.36.07	1.36.07 - Airport systems - Airplane refuelling system
1.36.08	1.36.08 - Airport systems - Flight information system
1.36.09	1.36.09 - Airport systems - Automated docking management system
1.37.01	1.37.01 - Civil and industrial systems - Complete MEP systems (mechanical, electric and plumbing)
1.37.02	1.37.02 - Civil and industrial systems - Electrical systems
1.37.03	1.37.03 - Civil and industrial systems - Plumbing systems
1.37.04	1.37.04 - Civil and industrial systems - Ventilation and air conditioning systems
1.37.05	1.37.05 - Civil and industrial systems - Fire prevention systems
1.37.06	1.37.06 - Civil and industrial systems - Audio-visual systems
1.38.01	1.38.01 - Energy production and transformation plants
1.39.01	1.39.01 - Plants and equipment for dams - Hydroelectric turbines
1.39.02	1.39.02 - Plants and equipment for dams - Hydroelectric generators
1.39.03	1.39.03 - Plants and equipment for dams - Complete electromechanical systems for dams (turnkey)
1.39.04	1.39.04 - Plants and equipment for dams - Gates and valves for dams
1.39.05	1.39.05 - Plants and equipment for dams - Screen and screen cleaners for dams
1.40.01	1.40.01 - Concrete equipment and machinery - Supply of concrete plants (Cat. 014)
1.40.02	1.40.02 - Concrete equipment and machinery - Supply of cement silos (Cat. 014)
1.40.03	1.40.03 - Concrete equipment and machinery - Supply and/or rental of concrete pumps (Cat. 014)
1.40.04	1.40.04 - Concrete equipment and machinery - Supply and/or rental of concrete mixer trucks (Cat. 014)
1.40.05	1.40.05 - Concrete equipment and machinery - Supply and/or rental of shotcrete pumps (Cat. 014)
1.41.01	1.41.01 - Electrical equipment and machinery - Supply and/or rental of power generators (Cat. 002)
1.41.02	1.41.02 - Electrical equipment and machinery - Supply and/or rental of power transformers (Cat. 002)
1.41.03	1.41.03 - Electrical equipment and machinery - Supply and/or rental of complete electric substations (Cat. 002)
1.41.04	1.41.04 - Electrical equipment and machinery - Supply of electrical switchboards/switchgears (Cat. 002)
1.41.05	1.41.05 - Electrical equipment and machinery - Supply and/or rental of floodlights (Cat. 052)
1.42.01	1.42.01 - Aggregate production plants and machinery - Supply and/or rental of crushing plants (Cat. 013)
1.42.02	1.42.02 - Aggregate production plants and machinery - Supply and/or rental of aggregate cooling plants (Cat. 004)
1.43.01	1.43.01 - Tunnel lining plants and machinery - Supply and/or rental of formwork (excluding special and tunnel formwork) (Cat. 010)
1.43.02	1.43.02 - Tunnel lining plants and machinery - Supply and/or rental of tunnel formwork (Cat. 010)
1.43.03	1.43.03 - Tunnel lining plants and machinery - Supply and/or rental of special formwork (Cat. 064)
1.44.01	1.44.01 - Hoisting/Lifting equipment and machinery - Supply and/or rental of mobile cranes (Cat. 011)

1.44.02	1.44.02 - Hoisting/Lifting equipment and machinery - Supply and/or rental of front-mounted cranes for trucks (Cat. 011)
1.44.03	1.44.03 - Hoisting/Lifting equipment and machinery - Supply and/or rental of tower cranes (Cat. 011)
1.44.04	1.44.04 - Hoisting/Lifting equipment and machinery - Supply and/or rental of portal cranes (bridge cranes) (Cat. 011)
1.44.05	1.44.05 - Hoisting/Lifting equipment and machinery - Supply and/or rental of forklift trucks and conveyors (Cat. 011)
1.44.06	1.44.06 - Hoisting/Lifting equipment and machinery - Supply and/or rental of site freight lifts/elevators (Cat. 011)
1.44.07	1.44.07 - Hoisting/Lifting equipment and machinery - Supply and/or rental of fixed and mobile conveyor belts (Cat. 011)
1.44.08	1.44.08 - Hoisting/Lifting equipment and machinery - Supply and/or rental of launching girder equipment (Cat. 011)
1.45.01	1.45.01 - Equipment and machinery for road paving - Supply of asphalt concrete manufacturing plants (Cat. 012)
1.45.02	1.45.02 - Equipment and machinery for road paving - Supply and/or rental of road pavers (Cat. 012)
1.45.03	1.45.03 - Equipment and machinery for road paving - Supply and/or rental of road grinders (Cat. 012)
1.45.04	1.45.04 - Equipment and machinery for road paving - Supply and/or rental of curbing machines and pavers for concrete (Cat. 012)
1.45.05	1.45.05 - Equipment and machinery for road paving - Supply and/or rental of stabilisation machinery (Cat. 012)
1.45.06	1.45.06 - Equipment and machinery for road paving - Supply and/or rental of sweepers (Cat. 012)
1.45.07	1.45.07 - Equipment and machinery for road paving - Supply and/or rental of rollers (Cat. 012)
1.46.01	1.46.01 - Pumps and water treatment plants - Supply and/or rental of motorised pumps and wellpoint systems (Cat. 001)
1.46.02	1.46.02 - Pumps and water treatment plants - Supply and/or rental of electrical pumps (Cat. 001)
1.46.03	1.46.03 - Pumps and water treatment plants - Supply and/or rental of Water treatment plants (drinking water, water softening) (Cat. 001)
1.47.01	1.47.01 - Railways electrification systems
1.47.02	1.47.02 - Railways signalling systems
1.48.01	1.48.01 - Machinery and equipment for probing, boring and stabilisation - Supply and/or rental of probes (Cat. 016)
1.48.02	1.48.02 - Machinery and equipment for probing, boring and stabilisation - Supply and/or rental of complete jet-grouting plants (Cat. 016)
1.48.03	1.48.03 - Machinery and equipment for probing, boring and stabilisation - Supply and/or rental of machinery for foundation piles and bulkheads (Cat. 015)
1.48.04	1.48.04 - Machinery and equipment for probing, boring and stabilisation - Supply and/or rental of hydromills for bulkhead excavation (Cat. 015)
1.49.01	1.49.01 - Hospital plants - Medical gas plants
1.49.02	1.49.02 - Hospital plants - RIX PACS - Computerisation of medical records
1.49.03	1.49.03 - Hospital plants - Sterilisation systems
1.50.01	1.50.01 - Archaeological surveys
1.51.01	1.51.01 - Geological/geognostic/geotechnical surveys
1.52.01	1.52.01 - Transport vehicles - Supply and/or rental of lightweight automobiles and trucks (Dealers) (Cat. 006)
1.52.02	1.52.02 - Transport vehicles - Supply and/or rental of wheeled chasses, trucks and road tractors (Cat. 006)
1.53.01	1.53.01 - Earth movement equipment and machinery - Supply and/or rental of diggers (Cat. 005)
1.53.02	1.53.02 - Earth movement equipment and machinery - Supply and/or rental of shovels (Cat. 005)
1.53.03	1.53.03 - Earth movement equipment and machinery - Supply and/or rental of bulldozers (Cat. 005)
1.53.04	1.53.04 - Earth movement equipment and machinery - Supply and/or rental of motorgraders / levellers (Cat. 005)
1.53.05	1.53.05 - Earth movement equipment and machinery - Supply and/or rental of dumpers (Cat. 005)
1.54.01	1.54.01 - Equipment and machinery for railways construction - Supply and/or rental
1.55.01	1.55.01 - Underground excavation and ventilation equipment and machinery - Supply and/or rental of boring jumbos (Cat. 007)
1.55.02	1.55.02 - Underground excavation and ventilation equipment and machinery - Supply of Tunnel Boring Machines (TBM) (Cat. 007)
1.55.03	1.55.03 - Underground excavation and ventilation equipment and machinery - Supply and/or rental of tunnel shovels (Cat. 007)
1.55.04	1.55.04 - Underground excavation and ventilation equipment and machinery - Supply and/or rental of tunnel diggers (Cat. 007)
1.55.05	1.55.05 - Underground excavation and ventilation equipment and machinery - Supply and/or rental of tunnel dumpers (Cat. 007)
1.55.06	1.55.06 - Underground excavation and ventilation equipment and machinery - Supply and/or rental of tunnel cooling fans and dust collectors (Cat. 007)
1.56.01	1.56.01 - Rail transport machinery - Supply of locomotives (Cat. 009)
1.56.02	1.56.02 - Rail transport machinery - Supply of carriages, flatcars, various cars (Cat. 009)
1.56.03	1.56.03 - Rail transport machinery - Supply of mixers on tracks for concrete transportation (Cat. 009)
1.57.01	1.57.01 - Mortar - Supply
1.58.01	1.58.01 - Monitoring - Environmental
1.58.02	1.58.02 - Monitoring - Structural monitoring
1.59.01	1.59.01 - Earth movement and excavation
1.60.01	1.60.01 - Landscaping works
1.61.01	1.61.01 - Maritime works
1.62.01	1.62.01 - Scaffolding and support structures - Supply and/or rental
1.62.02	1.62.02 - Scaffolding and support structures - Assembly/Disassembly
1.63.01	1.63.01 - Concrete, RC, PRC pre-fabricated structures - Supply of precast concrete, RC, PRC bridge girders
1.63.02	1.63.02 - Concrete, RC, PRC pre-fabricated structures - Launching of precast concrete, RC and PRC bridge girders
1.63.03	1.63.03 - Concrete, RC, PRC pre-fabricated structures - Supply of lightweight precast concrete structures
1.63.04	1.63.04 - Concrete, RC, PRC pre-fabricated structures - Supply of precast segments for tunnels
1.63.05	1.63.05 - Concrete, RC, PRC pre-fabricated structures - Supply of other precast concrete, RC and PRC items (pipes, shafts, tanks, etc.)
1.64.01	1.64.01 - Construction of reinforced concrete structures
1.65.01	1.65.01 - Reinforcing wire meshes - Supply of welded steel wire meshes for reinforced concrete
1.65.02	1.65.02 - Reinforcing wire meshes - Supply of non metal (e.g. fiberglass) wire mesh for reinforced concrete
1.66.01	1.66.01 - Metal meshes for gabions - Supply
1.67.01	1.67.01 - Signage - Road signage (design, supply and installation)
1.67.02	1.67.02 - Signage - Directional signage (design, supply and installation)
1.67.03	1.67.03 - Signage - Signage for the disabled (design, supply and installation)
1.68.01	1.68.01 - Underground Utilities Works
1.69.01	1.69.01 - Measurement Instruments - Supply
1.70.01	1.70.01 - Topographical instruments - Supply
1.71.01	1.71.01 - Tie rods - Supply of steel tie rods
1.71.02	1.71.02 - Tie rods - Supply of non-steel tie rods
1.72.01	1.72.01 - Tubing and connectors - Supply of steel pipes for structural use
1.72.02	1.72.02 - Tubing and connectors - Supply of steel pipes, fittings and flanges for non-structural use
1.72.03	1.72.03 - Tubing and connectors - Supply of plastic pipes, fittings and flanges (e.g. PVC, PE, HDPE, tunnel ventilation tubes, etc...)
1.72.04	1.72.04 - Tubing and connectors - Supply of rubber pipes, fittings and flanges
1.72.05	1.72.05 - Tubing and connectors - Supply of fiberglass pipes for stabilisation - reinforcement
2	2 - TRANSPORTATION AND FREIGHT FORWARDING
2.1	2.1 - Carriers
2.2	2.2 - Freight Forwarders
3	3 - ENGINEERING AND DESIGN SERVICES
3.01.01	3.01.01 - BOQs, Specifications and Safety Studies - Bill of Quantities (BOQ) drafting
3.01.02	3.01.02 - BOQs, Specifications and Safety Studies - Drafting of technical specifications
3.01.03	3.01.03 - BOQs, Specifications and Safety Studies - Safety studies
3.02.01	3.02.01 - Building Information Modeling
3.03.01	3.03.01 - Environmental planning - Environmental studies
3.03.02	3.03.02 - Environmental planning - Transport studies
3.03.03	3.03.03 - Environmental planning - Town planning studies
3.03.04	3.03.04 - Environmental planning - Archaeological studies
3.03.05	3.03.05 - Environmental planning - LEED certification
3.04.01	3.04.01 - Architectural design
3.05.01	3.05.01 - Operating and maintenance design
3.06.01	3.06.01 - Geotechnical / Geological design - Geotechnical design
3.06.02	3.06.02 - Geotechnical / Geological design - Geological design
3.06.03	3.06.03 - Geotechnical / Geological design - Design of underground works (bored and cut-and-cover tunnels, underground stations, etc..)
3.07.01	3.07.01 - Railways design (including subways) - Railway route design
3.07.02	3.07.02 - Railways design (including subways) - Railways permanent way design
3.08.01	3.08.01 - Hydraulic design - Hydraulic design
3.08.02	3.08.02 - Hydraulic design - Hydrological design
3.08.03	3.08.03 - Hydraulic design - Dam design
3.09.01	3.09.01 - Systems Engineering - Civil systems design
3.09.02	3.09.02 - Systems Engineering - Industrial systems design
3.09.03	3.09.03 - Systems Engineering - Railways and subways systems design
3.10.01	3.10.01 - Integrated design
3.11.01	3.11.01 - Maritime works design
3.12.01	3.12.01 - Road design
3.13.01	3.13.01 - Structural design
3.14.01	3.14.01 - Topographical services (including cartography and geodesy)
